Dear Parents and Carers,

RE: ARTS WEEK 24-27 June 2019

As you know it is our Arts Week next week. The children have lots of exciting activities organised and they will be enjoying a whole day of art work on Wednesday 26th June themed on Arts around the world.

Some of the children will have visitors who are going to share their artistic talents with the children. They will also take part in a whole school art project based on their school teams, which has been organized by our artist in residence, Miss Spencer.

We would like to invite you into school to visit the classrooms to see the art work produced over this week on Thursday 27th June 2019 from 3:00pm. We would like you to enjoy the creativeness of your children by visiting their galleries (classrooms).

We hope to welcome as many of you as possible,

Many thanks,

Mrs. Hughes
