12th February 2019

Dear Parents/Carers,

RE: WORD BOOK DAY/ WORLD MATHS DAY

It is World Book Day on Thursday 7th of March this year, and we would like to invite you to join us in helping your child to make the most of this occasion throughout the week. This year we are combining World Book Day and World Maths Day by inspiring our children with stories that make maths teaching fun and enjoyable.

With this in mind we would like to ask the children to dress up/dress down on Thursday 7th of March but we would like their choice of dress to be maths inspired. There are lots of ideas here: https://www.theschoolrun.com/no-sew-mathematical-costumes-for-maths-week.

We would also like the children to bring in any books that they think relate to maths for example Six Dinner Sid, Five Minutes Peace and 1001 things to find in the sea to name but a few. The children will get the opportunity to share these books with their class over the course of the week.

Finally, we would like to invite you to join us on Tuesday 5th March at 2:45pm to play some maths games or participate in some maths related art with your child’s class. If you are able to join us can you fill in the slip below so we have an idea of numbers.

Thanks as ever for your support,

Mrs. Sarah Hughes
Deputy Headteacher

Dear Mrs Hughes,

We would like to join you on Tuesday 5th March at 2.45pm for some maths related activities.

My child/ren are in __________________________ class.

Relationship to child ______________________________.
