Year 6
Spring Term
Newsletter

Staff in Year 6:
Mr Warren—Cherry
Mrs Heath—Apple
Mrs Hughes
—Teaching Support

ENGLISH
This term we’ll be reading ‘Kensuke’s Kingdom’ by Michael Morpurgo and will be writing our own stories, diary entries and newspaper reports using the book for inspiration. We will also be practising our reading skills and revising our SPAG knowledge in preparation for SATS.

MATHS
This term we’ll be covering percentages then moving on to Ratio before tackling various aspects of Geometry. There will be lots of revision work happening, including booster sessions, while homework will continue to be set every week on a Monday.

TOPIC (GEOGRAPHY/HISTORY)
ART, DESIGN TECHNOLOGY & MUSIC IS TAUGHT THROUGH TOPIC.
Throughout spring term we’ll be studying the Mayans. History, Geography, Music and Art will all be taught through this topic.

TOPIC (SCIENCE)
ART, DESIGN TECHNOLOGY & MUSIC IS TAUGHT THROUGH TOPIC.
Our next Science topic is Light. We’ll be conducting a number of experiments investigating how light travels and what happens when it reflects and refracts.

RE
We’ve learnt about the concepts of Ahimsa (the respect for all living things), Grace (the generosity of God) and Ummah (community).

COMPUTING
This term we’ll be covering various aspects of coding through Purple Mash as well as internet safety.

PE
During the first half-term, PE will be on a Thursday afternoon so please remember to bring in PE kits on that day!

VISITS / ASSEMBLIES / PERFORMANCES
We will be attending Longton Fire Station on Wednesday 5th February to take part in a Safe and Sound workshop.

Working together for a brighter future!
