Welcome to Years 3 and 4

We are happy to welcome your child to lower Key Stage 2. Please help us by making sure your child has their PE kit in school on the appropriate day and that they bring their reading book every day.

We hope that your child has an exciting time this year as we have lots of different and interesting things planned such as swimming, music and school trips.

If you ever feel the need to speak to your child’s class teacher, please make an appointment either with the teacher or through the school office.

Miss Cross, Miss Rushton, Mrs Spencer & Miss White.

Autumn Term 2019

How can you support your child’s learning?

- Listen to your child read on a regular basis and allow them to read independently.
- Practise spellings and times tables.
- Encourage your child to explore the educational activities on our new school website.
Maths
- Length and perimeter
- Mental multiplication and division
- Written multiplication and division
