Dear Parents and Carers

You will be pleased to know that following a rigorous review process to ensure we are complying with priority documentation which shows how we are assessing, managing and mitigating risk, we have been given approval by the Board of Directors of Trust in Learning (Academies) to further open the school to more year groups.

From Monday 8th June we can now confirm the further opening of the school to Nursery and Reception as well as the children of Key Workers.

Children of Key Workers, Nursery and Reception returning on Monday June 8th
Detailed information about entry and exit points and the times for dropping and picking up your child was sent out earlier in the week. The letter is also available on the website under the Latest News Documents section. It is very important that you arrive within the allocated times for your child’s year group and exit the site quickly and safely following the 2m distance markers that have been laid out. Members of staff will be around the site at drop off and pick up times to help direct parents and children.

If you have confirmed with us that your child is due to return on Monday 8th June, you would have received an email giving further details of the group your child will be in and the class teacher assigned to that bubble. It is very important that if you originally said no or maybe to your child coming back to school and would later like them to attend, you MUST email the school giving at least 48 hours’ notice. This is so we can ensure there is adequate space in teaching bubbles or sufficient staffing. This cannot be guaranteed. For those returning, your child must bring a packed lunch and a water bottle. Currently no school meals will be served on site. No other items should be brought into school.

Year 1
We are now in a position to consider opening to Year 1 children. Although no date has yet been set for this, we are making plans to open for Year 1 in the near future. In advance of this, our staff will be in touch with Year 1 parents in the week beginning 8th June to see whether they would like their child to return to school this term. This will assist our planning regarding staffing arrangements and will help us know if opening to Year 1 will be possible. For those who choose not to send their Year 1 child back into school at this time, home learning opportunities will still be provided via the website and Class Dojo as detailed earlier this week.

Pupils in Year 2-6
As detailed in a letter sent out this week, home learning will continue to be shared on a fortnightly basis by the school website, Class Dojo and ILDs (EYFS).

Thank you all for your continued understanding during this current time.

Louise Hopcroft
Headteacher
