Dear Parents

As you know here at Potters Green School we have a valuable outdoor resource-the Wildlife area. This is used by all children across the school and it is in need of vital maintenance in order for us to continue to use it.

In order for this to happen we are fundraising towards the cost. On Friday 21st October we ask the children to come to school dressed in green. It can be as easy as a green top, green trousers, green shoes, a full green outfit or even just a green ribbon in the hair. All we ask is that the children donate £1 on the day.

The money raised will go towards the vital repairs needed.

We look forward to seeing you on the day and for your continued support.

If you have any questions then please do not hesitate to ask.
