Aged 3 months to 4 years Fun Music Class

Multi-sensory classes to provide a perfect introduction to music and singing for your baby, toddler or preschooler.

Your child will be able to recognise and respond to the pattern and rhythm of music and will enjoy being held, rocked, swayed and soothed as you enjoy the class together.

We explore a wonderful range of tactile and exciting props and get to grips with finger play rhymes, counting songs, knee bouncers and action songs.

Instruments for every child.
