**Spring 2 Homework Project**

**Robin Hood**

What can you find out about Robin Hood?

Who was he?
When did he live?

Why was he outlawed?

What stories are there about him?

Was he real?

What was life like for ordinary people at the time of Robin Hood – The Middle Ages? What were people’s homes like? What did they eat? What did they wear? Did children go to school?

What was life like in Nottingham Castle at the time of Robin Hood? How was life different for the rich? How were castles built to defend themselves from enemies?

Think about the questions then choose at least one project task from the following:

1. Retell a story about one of Robin Hood’s adventures.
2. Draw and **label with captions** a medieval castle.
3. Write a menu for a medieval banquet.
4. Write a diary – day in the life of a peasant living by Nottingham Castle in the middle ages.
