Dear Parents,

Only one more week of practice left and we are very excited to present to you our Key Stage One Nativity play called ‘It’s a Party’. Then it can really feel like Christmas!

Performances are as follows:
Monday 11th December – Dress rehearsal 2.00pm (grandparents welcome).
Wednesday 13th December – Nativity Performance 2.00pm
Thursday 14th December – Nativity Performance 6.30pm

On Thursday pupils need to be at school from 5.45pm onwards to give them time to get ready for a prompt start at 6.30pm. After the performance if parents could please remain in the hall and we will bring the children up to you – please do not wait in the KS1 corridor or entrance area as this can make it difficult to dismiss the children safely – thank you for your help.

Apologies, but we cannot allow any filming or photography of any kind during the performance, however, we will be taking a photo of every child after the dress rehearsal, for them to take home as a keepsake of their special performance.

We have lots of nativity costumes in school, but a few extra things are always needed. Please see the box below for what your child needs to bring to school, this week, in a named bag. Thank you for your support.
(If the box is blank we have their full costume in school.)

Your child needs:

Year 2 are narrating the story and need a smart christmas party outfit e.g. xmas party dress for the girls, trousers and xmas jumper or shirt for the boys.
Please bring to school this week in a named bag.

We need one final push this week to learn lines and song lyrics with lots of expression. So please keep practising!
Looking forward to sharing with you the true meaning of Christmas.

Kind regards:
The Key Stage 1 Team
