Dear parents/carers,

The Key Stage One Christmas Party will take place on Monday 18th December in the afternoon.

There will be lots of fun, games and party music. Your child will need to be in non-school uniform and also bring their own small selection of party snacks in a named tub. (This is to make sure each child has snacks that they like and also to account for pupils with food allergies.) Your child does not need to bring too much food as they will have had their school dinner, just a few treats to enjoy - sweet and/or savoury!

We will provide the drinks, plates and cups.

Thank you for your support for this enjoyable Christmas event for our children.

Kind regards,

The Key Stage One Team.
