Our new topic is 'Off We Go.'

Welcome back to all our existing families and 'hello' to our new families. Mrs Evans, Mrs Nash, Mrs Brookes, Mrs Beresford and Mrs Leah (was Miss Wilson, who got married over the Christmas holiday).

Personal, Social and Emotional Development - We will use the continuous provision to play in a small group, listening to our friends' ideas and finding our own resources when playing together. We will be talking about special times we have spent with our families. Please bring in photos to put on our family tree.

Maths - We will continue to count in order through stories and songs. We will explore numbers 1-6 placing them on a number track, spotting the odd one out and explaining why Hodgey Podgey has got all mixed up!

Listening and Attention - We will continue to support your child's listening and attention skills; listening to others, responding to what others say, learning new rhymes.

Literacy - We will read We're Going on a Bear Hunt, Not a Stick and Not a Box where we will be thinking about the main parts of each story. We will be learning our letter sounds through Jolly Phonics. Sounds: s, a, p, g, o, i.

How parents can help?

- Read stories to your child; talking about characters, what is happening, pointing to the words as you read.
- Help them to be independent; dressing and undressing, putting coats on and choosing ways to do things.
- Let them find their own way to do activities and allow them to struggle with things they find difficult.

Playing - At Puss Bank Nursery, we learn through play. Children problem solve, negotiate and develop vocabulary and language skills. Through exploration, they develop scientific and technological skills and knowledge and understanding about different cultures and ways of life.

Please name your child's clothes, shoes and wellies.
We ask that children do not bring toys in from home as they may get lost or broken!
