Geography
Children will develop their enquiry skills to locate rainforests and learn as much as they can about the environment and climate of these locations.

French
French Lessons will continue as usual and be taught by Mrs Allen for both classes.

Design and Technology
Children will be given the opportunity to taste both fresh and dried fruits that are grown in rainforests. They will then use some of these to design and make their own tropical fruit product.

Art
We will be studying the work of Rousseau and producing our paintings in his style. Children will also be given opportunities to develop observational drawings of rainforest animals and develop collaging techniques as we explore

Science
The children will explore science ideas about plants and animals, particularly in rainforest regions. They will be developing their working scientifically skills as they discover key ideas.

What are we doing this term?
Spring Term 2020

P.E days 1st half term
3M Tuesday and Wednesday
3A Monday and Tuesday
If your child can not take out their own earrings, then please remove them before coming to school. They will not be allowed to take part in P.E lessons with earings in.

Why are rainforests important to us?

Maths
The children will focus on developing a range of skills with mental and written methods of addition and subtraction.

French Lessons will continue as usual and be taught by Mrs Allen for both classes.

Why are rainforests important to us?

Please contact your child's class teacher if you would like to help with readers.

English
We will use the following key texts to stimulate a range of exciting writing opportunities for the children.
- Tin Forest by Helen Ward
- The Great Kapok Tree by Lynne Cherry.

Science
The children will explore science ideas about plants and animals, particularly in rainforest regions. They will be developing their working scientifically skills as they discover key ideas.

Special Information
We are having a visit from 'Animal Magic' on Thursday 6th February. They will be bringing a range of animals you might see in rainforests. Letter to follow with more information.
