BRING ON THE GAMES!!!!

As you can tell from the heading, we are now going to talk about the World Cup. Not just any old... The female one. Let’s get straight into it. So let’s see hmm...hmm... ah right now we can see that America is dominating ahead to the quarter finals. On 24th June 2019, Sweden crushed Canada 1-0 to get into the quarter finals to compete with Germany.

On Saturday 1st June 2019 at 10:30 was a match between NZ and Sri Lanka. The stadium played in was called Sophia Gardens, Cardiff. It was everyone who watched it on the radio enjoyed it. The people bad luck. They lost by 10 wick- on the same day was Australia I think it was an ok match. It at the same time if you know what I mean. Also to be honest, I haven’t watched all the matches.

Our girls football team

Now it’s time to talk about the girls’ football team. Girls in the Regents Park Community Primary school are in 2nd place at the moment which is excellent. All I would say if they can achieve to get into 1st place to show that they take pride in their games. The children in the football team should be proud of what they are doing. To make our school proud.
