During the summer term the builders have been working very hard in the old caretakers bungalow.

To help with the conversion, we have managed to fund raise a lot of money and also made a successful bid from the sugar tax. This has enabled the inside of the bungalow to be turned into a multi use building which will be used by the community of River View.

Library

The library is due to open properly in Spring Term when we have managed to purchase enough books. The Library will be accessed by all children at River View once a week. It will also be opened to the wider community as we are planning to be host toddler story time as well as a book club.

Lavender Room

A small meeting room which can be used for meeting with outside agencies as well as being used by staff for their PPA.

Rose Room

A large meeting room which can be used again for large meetings with outside agencies. This room is also used by YESS counselling once a week to enable them to support children in the Burton Community.

Buttercup Room

A sensory style room which will provide a calming and quiet environment which will help children to de-escalate and will also be used as an nurture intervention room.

The Garden

We are truly grateful to NCS Wave 3 for the amazing transformation of the garden area of the Damson Bungalow.

16-18 year old community members worked for two weeks to transform the overgrown garden to the garden below. We are very hopefully that next summer the children will be able to serve our very own home grown vegetables for school dinner.

The Grand Opening

On Friday 15th November at 2.30pm The Damson Bungalow will be opened by Nigel Clough. Children can be collected at 2.15pm and then parents and children are welcome to gather in front of the bungalow. Once the ribbon has been cut then everyone will be able to walk around the bungalow and garden before joining us in school for our first Autumn Fayre where we will be hoping to raise money for the new Library.

On this day we are also hoping that we can turn River View purple to celebrate the opening through all children and staff wearing purple for the day.

If wearing purple we ask for donations of cakes or £1 with money going to Children in Need.
Halloween Soccer School & Train Like a Pro

In partnership with The Burton Albion Academy

Burton Albion Community Football Centre, Pirelli Stadium, DE13 0AR

**Dates**
- Soccer Schools: 28th, 29th, 31st Oct & 1st November
