Task 1:
We are sending a calendar tab home for 2020. Be creative and design your own calendar for next year that you can put up at home. This does NOT need to be sent back into school - just take a photograph of your calendar and send a photo of it to me at s.wright@stpetersprimary.org

Task 2:
Using the sheet you have write a book review of a book you have read over the Christmas holidays (not one of your school reading books). This activity needs to be returned to school on the first day back (Tuesday 7th January)

You also have 2 school reading books for the holiday as you will be off for 2 weeks. Please make sure that you keep reading these over the holiday.
