Welcome back to a new term in Year 1. I hope that you all had a lovely Christmas break and that you are ready to join us for our new term as we venture ‘Into The Woods.’

This topic will last for the whole of the Lent term (up until Easter) and will focus on different Fairy Tales. For the first half term we shall be looking at Cinderella. You can find copies of our Medium Term planning on our class webpage. This will show you all that we will be covering during this half term. Please visit https://www.stpetersprimary.org/class-1/

You will also find digital copies of this term’s Knowledge Organisers for you to look at and share with your child at home.

If you have any thoughts, questions or ideas about how to support your child at home with this topic please come and speak to me.

Reading & Phonics

It has been really lovely to see the progress that some of the children made in phonics last term. Lots of them have moved up a phonics group, and many are almost ready to move up to the next phonic group. One of the ways you can help your child with their phonics is by making sure that you read daily with them. Just 10 minutes a day reading at home will help your child develop their fluency in reading, and will also help to foster a love of reading and language which will last their entire lifetime.

If you have any questions about how you can support your child reading at home, or any ideas that you’ve found encourages reading at home, that you would like to share with other parents, please come and speak to me.

Let’s make 2020 the Year of Reading!

PE

Since the end of last term some PE kits seem to have vanished. All kits were sent home at the end of last term so, please can you check to see if your child has taken somebody else’s kit home with theirs by mistake. Thanks.

Also from next week our Tuesday PE day will change to Monday so please make sure all kit is in school by then. Thanks

Star of the Week

Alfie

For trying very hard with his writing and Maths.

Well done!
