After half term we will be journeying with Alice through the topsy turvy world of Wonderland.

Your homework for the half term holiday is to become familiar with the story.

I would also like you to bake a cake that is worthy of a Mad Hatter’s tea party. Make sure you take photographs of you making the cake (and one of the finished cake).

Try to write down what you had to do to make the cake.

You do not need to do any of the tasks off the homework grid, and there is no maths task. However, please make sure that you keep reading throughout the holiday.
