Welcome to your first newsletter of Year 1. You will get a newsletter each week informing you of what has been happening in our class, and letting you know of any upcoming events or important pieces of information. If you ever don’t get your newsletter you can always log on to our class webpage on the school website. Here you will find digital copies of this letter please lots of other information about our curriculum and what is happening in Year 1.

If at any point throughout the year you need to talk to me I am usually available on the class door in the morning or after school. Alternately you can email me or message me through class dojo.

Star of the Week
Everybody for having a super start to Year 1.
Well done!

What a great start to Year 1 the children have had. Even though it has only been 2 days they are starting to adapt to the routines of their new classroom.

In Maths this week we have started learning how to count to 100 with Spiderman. We shall keep practising this every day, see if you can help your child to count to 100 at home.

In Literacy we have looked at our first Winnie the Pooh story as part of our ‘Deep In The Hundred Acre Wood’ topic. We found out all about what happened when Pooh Bear met some bees whilst he was on a hunt for honey. See if your child can retell this story to you at home.

Mini Professors
We are really excited to be able to offer a Mini Professors Science club this year after school on a Monday. This is a fantastic opportunity for children to develop their scientific skills. Having worked with the Mini Professors I can safely say that this is a club NOT to be missed. Please see the sign up letter for this club that is coming home tonight. Places are limited so get in early for a truly fantastic science experience for your child.

Your child has brought home their homework grid for this half term. The tasks on the grid are all linked to our ‘Deep In The Hundred Acre Wood’ topic.

You need to complete 1 task from the grid each week, plus the maths challenge sheet. All homework should be completed in homework books unless it is an activity that needs to be filmed. The expectation is that homework is returned to school on a Wednesday.
