In Literacy this week we have continued to look at using adjectives in our writing. Following on from our group work of describing different settings the children have all had a go at writing their own piece of descriptive text all about an enchanted forest setting. I have been really impressed by some of the lovely pieces of description that they have produced.

In Maths we finished off our work on measuring, and we have started our new topic on time, which is focussed on the days of the week and the months of the year. We have looked at the different days of the week with Topsy & Tim, and looked at all of the different things that happened to them on each day. Next week we shall be making day wheels and month wheels.

Don’t forget that next week is the last week of school before the October half term. It is also a shorter week as we will be finishing on the Thursday, so no school next Friday.

We will return to school on Tuesday 22nd October.

Your child will be bringing home a ‘Half Term Homework Challenge’ next Thursday, which they will need to complete during the holiday.

In preparation for Parent’s Evening after the break (you will get more details nearer the time) we will be offering an open classroom after school next week from Monday to Wednesday when you can pop in and have a look at your child’s books and book a Parent’s Evening appointment.

Just a quick reminder that your child’s water bottle should contain water, not squash or pop. I have seen some very strange shades of water over the last couple of weeks. Please can you make sure that the drink bottles only contain water. Thanks Mr. Wright

Star Of The Week

Errrol

for trying really hard with his writing.

Well done!
