Dear Parent/Carer,

Sam’s Safari visit

As part of our Year 2 Topic, Watch out! There’s Bears about! we have organised a visit from Sam’s Safari for the children to get up close with a range of different animals and learn about their habitats and life cycles. This visit will take place on Thursday 21st March 2019 and will take place within school. Your child will not need to bring anything from home for this visit.

This visit is a great opportunity for children to get hands on with animals they would not usually encounter this close up! Talks on the day about the animals will link with the Science National Curriculum. After the session, we will spend time looking further into the animals and their habitats.

The cost of this visit will be £3.

Yours sincerely

Mrs Wood, Miss Jones, Mrs Hindle and Mrs Morris
(Year 2 Team)
