End of Year Celebration

19th June 2019

Dear Parents/Carers,

We are confirming that we will be going to Hyde Park for an end of year celebration on Tuesday 9th July 2019. We have made the decision to go to Hyde Park because we want the children to experience an iconic location in London. This is a special celebration of their year in Reception and we want it to be a memorable experience. A local park will not have the same impact. Visiting London allows us to travel by train and we will see other world famous buildings on our way to Hyde Park, including the Royal Albert Hall and the Albert memorial. The children often talk about their visit into London in February, especially the train journey.

Please come and speak to us about the trip, should you have any concerns.

We will be travelling as follows:

**Bramble Class** will be catching the 09:36 from Petts Wood, changing at Bromley South and then continuing on to Victoria. As the train is early, we ask that the children meet us at Petts Wood Station (Morrisons side) at 09:15. Any children attending Galaxy will walk up with members of staff.

**Hop Class** will be catching the 09.43 from Petts Wood to Victoria. Hop Class will meet at school at normal time and then walk up to the station.

Once at Victoria, we will catch the route 52 bus from Victoria to Hyde Park (Royal Albert Hall) and back again.

Return will be:

**Bramble Class** 14.28 departure from Victoria arrives at Petts Wood 15.03.

**Hop Class** 14.58 departure from Victoria arrives at Petts Wood 15.33.

As was the case when we visited London in February, you will need to collect your child from Petts Wood station.

Children will need to wear their school uniform with comfortable walking shoes and a coat with a hood or a hat dependent on the weather. We will supply drinks and snacks for the journey.

To cover the cost of buying an ice cream on the day and snacks, we ask that every child prior to the trip brings in £3.

We welcome parents to accompany us. Please could you fill in the consent slip below, saying whether you will be able to accompany us, and indicate which choice of sandwich your child would like.

Many thanks,

Sarah Wimshurst          Sam Brooks
