These are the numeral formation rhymes that the children have been taught in Reception.
Please encourage your child to form their numerals correctly.

Zero: From the top—go all the way round.
One: Go straight down and that is all.
Two: Swing around and then go straight.
Three: Swing it round and then once more.
Four: Down, slide, cut in half.
Five: Down, round, put on a hat.
Six: Come on down and make a curl.
Seven: Slide to the right and slant on down.
Eight: Make a s and go straight home.
Nine: Make a loop and come straight down.
