Hello Year 6!

Once again we just wanted to let you all know how impressed we are by the way you’re continuing to work hard and give your very best week in, week out. As your teachers and teaching assistants we could not be prouder of the effort, resilience and positive attitude with which you have approached everything during this period. Remember that while working hard at home, it is also important to take time to enjoy yourselves during this time. We know that you will continue to work hard and apply yourselves, which just shows how lucky we are to have you as our year group.

Stay safe and well and we hope that we see you all again soon.

Miss Broadhurst, Mr Adams, Mrs Shaw and Mrs King.

Riddles and Brain Teasers

“A man enters town on Friday, he stops for 3 nights and leaves on Friday. How is this possible?”

“What is always in front of you but can’t be seen?”

“What can fill a room but takes up no space?”

If you have internet access, post your answers onto the Year 6 class blog on Purple Mash. Why not create your own riddles and share them with your family or on the Purple Mash blog.

Maths Challenges

Elizabeth has four daughters, and each of her daughters has a brother. How many children does Elizabeth have?

If you toss a coin 10 times and it lands heads up every time, what are the chances it will land heads up if you toss it again?

In a bicycle race, the man who came two places in front of the last man finished one ahead of the man who came fifth. How many contestants were there?

PURPLE MASH TASKS ARE UPDATED WEEKLY AND MARKED DAILY! PLEASE MAKE SURE THAT YOU COMPLETE THESE TASKS AND POST ON OUR CLASS BLOG IF YOU ARE HAVING ANY PROBLEMS.
