Year 5 and 6 RE Tasks

Refugee Week (15th – 19th June 2020)

Love your neighbour

Jesus, friend and brother,
You know what it is like
to be hungry and thirsty.

You know what it feels like
to be a stranger who is made unwelcome.

You know the suffering of all
who have lost everything.

We pray that by welcoming refugees
we may show love for our neighbour
and be closer to you.

Amen.

If you could make a difference to help refugees across our world, how would you do it? Put together a proposal for an event that would raise money but it must be linked to the plight of refugees. A cake sale is not something that refugees would be associated with.

Research where some of these places with refugee camps are within our world. Look at a world map and find out how far refugees have travelled to reach a place of safety. (South Sudan to Uganda, Venezuela to Colombia, Myanmar to Bangladesh, Syria to Lebanon.)

Imagine

A refugee doesn’t have time to pack a bag, be prepared for all weathers and eventualities. They have to grab what they can and run as quick as they can. Many refugees put their lives in danger as they try to find somewhere safe to live. Choose one of these activities to express your feelings about refugees.

Draw, paint or craft an image of the world you want to see or how you want it changed.

Write a poem starting with Imagine if .......... or Imagine a world where ...............
