Hello to Children and Parents/Carers,

We know from phoning your Mums. Dads, Nans, Grandmas etc that you have been very busy at home doing Purple Mash To-do’s and activities, drawing pictures, counting and making things from the Blog it/ from your home learning packs. Some of you have been cooking, gardening and making things as well.

This is usually a very busy term for Nursery, as lots of you will be getting ready to go to school in September. You have been working really hard at your Reception writing, phonics (sounds), drawing and counting and we think that you will be really ready for Reception. As it is not possible to visit Reception at the moment, look out for the virtual tour and ‘Going to School’ photos coming on the Blog and website next half term.

**Topic – Our Topic for this half term is ‘Creepy Crawly Café’**

See the blog, home learning pack or website for the Parent Summer Topic web.

We will be joining in with 30 days Wild in Nursery and whether you have an outdoor space or not, there are activities that you can join in with on the Wildlife Trust Home learning hub. (See the Nursery Blog for details)

**Purplemash Tasks are Updated Regularly – Please make sure that you log into Purple Mash using your child’s code, have a go at the ‘To Do Activities’ and look at the Nursery Blog for games and activities to do at home. If you do not have internet access, please email school to request a home learning pack.**

**Phonics sound for this week ‘r’ and ‘j’**

Look on the blog or in your home pack for letter sound games and activities.

- Rainbow
- Jelly

Look on the blog or in your home pack for letter sound games and activities.

**If you made any of the things for Pentecost from the Blog, please send pictures of them to us.**

**Mary Bear News**

Mary Bear and the Little Princess have been busy learning to play the piano and looking after their bean seeds at Mrs Degen’s house.

**Can you match the objects to the shapes and count the corners or sides of each shape?**

**Reading**

We know that the nursery children love listening to stories, sharing books and reading them. You are very good at talking through the pictures, looking at the words, talking about sounds and letters and sounding out simple words like h-a-t hat.

Parents/Carers – Can you take some pictures of your child reading their favourite stories or reading with a family member and send them to us please. Favourite nursery book characters and books and books of the Week are:

- ‘c-c-c caterpillar’

If you’ve got these stories, that’s great but if not, they can be seen on YouTube for schools.

**We might be having some very hot weather, remember your suncream, hat and water on sunny days. See the blog for sun safety advice.**

**Remember your good handwashing and toothbrushing.**

**Well done for drawing beautiful rainbow pictures. Email any pictures that you have drawn to school or pin them on the Purple Mash pin board.**

**Can you go for a rainbow walk and find different coloured flowers and leaves?**

**Make an indoor or outdoor reading den at home. See the blog for ideas.**
