One day, Pirate Pete woke up and yawned “Good morning, Polly!” . There was no answer. Polly was not there. He jumped out of his hammock and checked behind the anchor. But she wasn’t there.

He looked all over the ship. Polly was nowhere to be seen. Pirate Pete wondered where Polly could have gone. Pirate Pete was worried.

Just then, he heard a clank and a rattle. It was coming from the treasure chest. He carefully tip-toed across the deck. He reached out to the lock and twisted the key.

Suddenly, Polly flew out of the treasure chest! “There you are!” shouted Pirate Pete. “Found me!” squawked Polly. “I love playing hide and seek. It’s your turn!”
