Dear Parents/Carers,

On Tuesday 13th June, Year 6 will begin their top up swimming programme lasting for the remainder of this week. On the first day your child will be assessed and put into groups based on their ability, they may be placed in a group with children from other schools. This is to ensure that they are being taught in a group that is suitable for their needs and will allow them to achieve their full potential.

Any child assessed, on the first day, as being competent to swim 25 metres will not return for the rest of the programme.

This is to ensure that the children not only progress to achieve the required distance but also fully master the skill of swimming and complete the distance with a superior technique.

Thank you for your continued support.

Yours faithfully,

Mrs Roberts
Headteacher
