6th March 2019

Dear Parent/Carer

Can I please remind you that if you wish to change the dinner arrangements for your child (i.e., packed lunches or school lunch) this can only be done on the first day of each half term, they must remain the same for the whole of that half term. The reason for this is I am sure you will understand is for the ordering of the food.

If your child is on packed lunches please make sure that you only give them water for their drink no sweets, chocolates or crisp.

Thank you for your continued support.

Yours faithfully

Mrs P Roberts
