28th January 2020

Dear Parent/Carer

We are writing to you on behalf of School Council. We have come up with an amazing project! And we are asking for your help.

During our meetings we have been doing lots of research into recycling. We have found a company that if you recycle your empty ink cartridges we can raise money for school!!!

How AMAZING IS THIS!!

We will send a small green and white plastic envelope home with your child. You can even ask family or friends, if they have any empty ink cartridges! Please return them to school. Let’s make some money for our school.

Kind Regards

School Council
