Dear Parent/Carer,

As you are aware last week we changed how some classes entered and left the building at the start and end of each day.

These changes were made for health and safety reasons as the corridors were overcrowded.

Staff were very happy with the change and we all agreed it is much better for each class to use their own class doors each day.

We have contractors booked for half term to widen the path to improve access.

They have agreed to bring the work forward to start this Wednesday 13th September and be complete by Wednesday 20th September.

So from Wednesday 13th September to Wednesday 20th September we will be using the following exits:

Yr2 – Door in between Yr4 and Yr1
Yr3 – Main corridor door
Yr5 – Hall door

Please note the following:

- Bikes, scooters etc. may NOT be ridden on the school playground they must be pushed (this includes adults!).
- When the path is complete the gate next to the main school office will be open for dropping off and collection children at the Montreal side of the school.
- Parent/Carers are responsible for their children on the school site and must keep them with them at all times and ensure they do not leave the path and go on any equipment or apparatus.

I apologise for any inconvenience caused by the work on the path, but am sure you agree the sooner this completed the better.

Thank you for your support.

Yours faithfully,

Mrs P Roberts
Headteacher
