23rd January 2019

Dear Parent/Carer

Please find attached a letter from our new uniform supplier Stitch Design. This is a new online service and the letter explains how to order your uniform.

We have changed companies because we were unhappy with the quality of the jumper, especially the fraying sleeves. This company are used by one of our local schools, who are very happy with the quality of their garments.

Stitch design are now in the process of receiving stock for the new online shop. You are welcome to start placing orders and these will be fulfilled as soon as possible however, due to the manufacturing time of some of the uniform items, some orders will be delayed until the middle of March. Please only contact Stitch Design regarding your order if it has not been received by March 15th.

Normal service, with orders being processed the following working day, will commence once initial stocks have been received.”

Yours faithfully,

Mrs P Roberts
Headteacher
