11th October 2018

Dear Parent/Carer

After October half term, Reception and the 2yr old Nursery will be swapping classrooms. This means that Reception will be in the 2yr old nursery room, and the 2yr old Nursery will be in the Reception classroom.

This will enable transition between the 2yr old nursery and 3yr old nursery to be less upsetting for the younger children.

The Reception children will have access to a larger classroom and outside area.

Reception children will visit the 2yr old nursery room before half term to familiarise themselves with their new classroom.

Yours faithfully

Mrs P Roberts
