4th March 2020

Dear Parent/Carer

As your child took part in organising and raising money for the Whitechapel project in December 2019, we have organised a date for School Council and some other children to go to Labre House to present a cheque for the amount raised. This will take place on Tuesday 17th March 2020.

The children will be able to see where the homeless sleep and get other information. (There will be no homeless on site when we are attending Labre House).

Children will leave after lunch and be back approximately 3:15pm

Please return the slip below by Friday 6th March 2020.

Yours faithfully

Mrs Roberts
Headteacher
