4th October 2019

Dear Parent/Carer,

Year 5 have been invited to participate in the nationwide ‘I Know, I Wish, I Will’ poetry competition. As part of this competition, if selected, your child/children will have the opportunity to perform on a London West End Stage on World Poetry Day 2020. The event will be streamed live around the world and all poems will be published in a book.

As part of the competition the children will receive two half day workshops, which take place within school on Thursday 10th and Thursday 24th October.

In order to submit your child’s work they will need to be recorded performing their poem as well as sending it off in written form. This will then be sent to the organisers of the competition (further details are available on the attached forms).

If you would like your child to participate the organisers have asked that the attached permission slips relating to the event and workshops, be completed and returned to school as soon as possible.

Yours faithfully,

Mrs P Roberts
