Dear Parent/Carers

Our pupils are incredible. They’re the generation that will see cancer cures in their lifetime. They’ll be the lifesavers of the future and for one morning, they’ll be an unstoppable force against cancer at our Race for Life.

Our Race for Life is on Friday 7th July. All children will bring home a sponsor form (attached). Sponsor money should be collected and sent into school by Friday 14th July – so that we can make our donation to Cancer Research UK before we finish for the summer break.

We have set up a “Giving Page” for those who would prefer to make a donation online, the details of which can be passed to your family and friends.
https://fundraise.cancerresearchuk.org/page/st-gregorys-catholic-primary-1

We are hoping to raise £1000 for the charity and we know you will do your very best to help us reach the target. Cancer just touches all of us. We all know somebody close to us who has had to deal with it. Children can run in memory of family of friends who have died, or for those who are battling with the disease and hope everyday a cure will be found.

Staff will be running too! Some of us for the members of our families that have cancer and also for relatives and friends who have already sadly died.

Thank you for your continued support.
Yours faithfully

Mrs P Roberts
Headteacher
