Reading regularly is very important. The more children get used to reading and familiarising themselves with words the easier it becomes. Games such as Buried Treasure, Obb and Bob will support your child’s phonics teaching http://www.letters-and-sounds.com/phase-3-games.html
Playing board games, for example snakes and ladders will help your child’s understanding of number. There are also some games on: https://www.topmarks.co.uk/Search.aspx?Subject=16&AgeGroup=2
