Policy for Promoting Positive Behaviour

“We are a community of love, learning and growing in the image of Christ”
Introduction

This policy describes the aims, principles and strategies for promoting good behaviour using a system of “Golden Rule” based on Gospel values.

At St. Osburg’s school, each individual is encouraged to show self discipline, self-respect and tolerance of each other. (Mission statement)

It is the role of all in the school community to create an environment in which learning and teaching can take place. All staff are called through their vocation to model Christian values and show children through example, what is expected of them.

Our School Aims

- **To ensure that each child feels happy, safe, valued and loved.**

- **To provide an exciting, fun and enjoyable educational experience for each child and promote a life-long love of learning**

- **To inspire our pupils to aim high, reach for the stars, be the best they can be and make the most of every opportunity that is given to them.**

- **To ensure that each child meets their God given potential and is nurtured academically, spiritually, socially and emotionally.**

- **To encourage each member of the school community to live their life in accordance with gospel values and to make a positive contribution to British society.**

- **To make prayer, worship and liturgy relevant and meaningful for each individual and to provide a learning environment that will enhance the development of faith of everyone in the school community.**

A specific plan may be drawn up with individualised rewards and sanctions in conjunction with child, parent, school and support service if appropriate.

**Golden Rules**

😊 Follow instructions straight away
😊 Show respect at all times
😊 Try your best

**Strategies and Practice**

At St. Osburg’s we believe that promoting positive behaviour is a process of co-operative, consistent teamwork involving all members of the school community.

Pupils are made aware and encouraged to reflect upon what the consequences are when they make choices about their behaviour.

The three Golden Rules have been chosen to particularly suit these needs. These rules are applied consistently and fairly by all staff.
Children who consistently choose to follow the Golden Rules will be recognised, rewarded and appreciated within the school community.
Achievement and Celebration Recognition

A range of incentives including:

Persistent Verbal Praise – identifying which Golden Rule the praise is for. E.g. “Well done_________. You have really tried your best”

Stickers – A range of individual class teacher awards. Eg. “Terrific” “Great” “Well done” “Thank you” or notes home.

Sweet treats or small prizes – Given at the discretion of staff.

Head Teacher Award – Children visit Headteacher to receive praise.

Worker of the Week – Weekly, in assembly, each class teacher to nominate a star child who has followed the Golden Rules. They receive a certificate and are mentioned in the weekly newsletter.

House Points
From Year 1 upwards classes are split into 4 House Teams. Children are awarded House Point tokens in recognition of following our Golden Rules; Good Behaviour, Work Produced, Homework etc – Tokens are then added to their House Teams box. Once a term the tokens are counted and the winning house team will receive a reward.

Attendance
Each week in assembly, the class with the highest attendance percentage wins an attendance trophy. At the end of the year in our awards assembly children who have received 100% attendance will receive a trophy and anyone

Posties
Each half term holiday a number of children from each class are selected to have a postcard sent home through the post praising them for something in school.

Termly Award Assemblies
On the last week of each school term a special awards assembly is held where certificates are presented to a third of the children in each class. Every child receives a certificate at least once per academic year.
**Consequence System**

Our behaviour policy is based strongly on pupils being rewarded for behaving in an appropriate manner. The Golden rules and their sanctions need to be balanced by consistent and persistent rewards for all pupils.
