Anti-bullying Policy

Introduction
At St Osburg’s we value diversity and difference. This policy is embraced by the whole school community: pupils, employees, parents, governors and all others that use the establishment. The context of this anti-bullying policy is about respect for others and self and is underpinned by the gospel values. We take all reported incidents of bullying seriously we therefore do all we can to prevent it, by developing a school ethos in which bullying is regarded as unacceptable.

Rationale
St Osburg’s Catholic Primary School regards bullying behaviour to be unacceptable and it will NOT be tolerated. We understand it in the following ways:-

- Bullying is not always easy to define. At St Osburg's we refer to bullying as an incident that occurs Several Times On Purpose or STOP!
- Bullying is an act by a person or group which deliberately hurts, threatens or frightens another person sometimes repeated over a period of time.
- Bullying is always about power and it can take a variety of forms.
- It thrives on secrecy;
- It is usually deliberate;
- It is often observed by silent witnesses (“passive bullies” who as part of a group do things that they would never consider doing as an individual)
- ‘Kidscapes’ suggests a range of behaviours that constitutes bullying.
  Physical: pushing, kicking, hitting, punching, any form of violence, threats
  Verbal: name calling, sarcasm, spreading rumours, persistent teasing.
  Emotional: tormenting, threatening, ridicule, humiliation, exclusion from groups/activities
  Racist: racial taunts, graffiti, gestures, comments.
  Sexual: Unwanted physical contact, abusive comments, gestures or acts, graffiti
- It may include:-
  Accusing others
  Hair Pulling
  Bag Stealing
  Belittling
  Theft
  Intimidation
  Malicious nicknames
  Smirking
  Blaming the Victim
  Making Others do the Work
  Staring
  Not letting others join in
  Clothes Ripping
  Extortion of money/possessions
  Withdrawal of friendship
  Receiving abusive text messages/emails/phone calls

We recognise this list is not exhaustive and people may be bullied because of the group to which they belong, because of them being perceived to be different.

Signs and Symptoms:
A child may indicate by signs or behaviour that he or she is being bullied. Adults should be aware of these possible signs and that they should investigate if a child:

- is frightened of walking to or from school
- doesn’t want to go on the school / public bus
- begs to be driven to school
- changes their usual routine
- is unwilling to go to school (school phobic)
- begins to truant
- becomes withdrawn anxious, or lacking in confidence
- starts stammering
- attempts or threatens suicide or runs away
- cries themselves to sleep at night or has nightmares
- feels ill in the morning
- begins to do poorly in school work
- comes home with clothes torn or books damaged
- has possessions which are damaged or “go missing”
- asks for money or starts stealing money (to pay bully)

- has dinner or other monies continually "lost"
- has unexplained cuts or bruises
- comes home starving (money / lunch has been stolen)
- becomes aggressive, disruptive or unreasonable
- is bullying other children or siblings
- stops eating
- is frightened to say what’s wrong
- gives improbable excuses for any of the above
- is afraid to use the internet or mobile phone
- is nervous & jumpy when a cyber message is received

These signs and behaviours could indicate other problems, but bullying should be considered a possibility and should be investigated.

Objectives

- To set clear expectations
  - All governors, teaching and non-teaching staff, pupils and parents should have a common understanding of what bullying is.
  - All governors and teaching and non-teaching staff should know what the school policy is on bullying, and follow it when bullying is reported.
  - All pupils, staff and parents should know what the school policy is on bullying, and what they should do if bullying arises.

- For the child, the school community will work in partnership with parents/carers.

- To recognise that we all share responsibility for developing a caring and supportive ethos in a safe environment.

- To empower members of our community by teaching strategies for dealing with bullying behaviour.

- To support all parties, pupils, staff and parents, involved in any situation that is reported.

- To ensure that everybody has a clear understanding of the consequences of their actions.

- To encourage ongoing awareness of issues around bullying behaviour.

- To encourage the awareness of the effects of one’s behaviour on another.

- To develop a sense of justice in all members of the community.

- To develop the value of empathy in each member of the community.

- To ensure set procedures are followed with regard to the anti bullying policy e.g. recording of racist incidents.
**Why is it Important to Respond to Bullying?**

Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Pupils who are bullying need to learn different ways of behaving. Schools have a responsibility to respond promptly and effectively to issues of bullying. It is our aim to challenge attitudes about bullying behaviour, increase understanding for bullied pupils and help build an anti-bullying ethos in the school.

**Procedures for dealing with incidents**

Name calling, verbal or physical abuse, jokes, insults, ridicule, social exclusion or extortion.

Every observed or reported incident requires action. Listed below are a number of steps, however they may not be delivered in this order depending on the nature of the incident.

**First Step**

- Member of staff acts immediately to stop/prevent any incident of bullying/harassment or discrimination – ignoring what happens is colluding. Investigate all incidents thoroughly.
- Comfort/support/discuss the issues with the ‘victim’ and ‘perpetrator’ together or separately.
- Obtain witness information.
- Challenge and reprimand the ‘perpetrator(s)’ aiming not to undermine their self worth and confidence.
- Ensure that any audience is aware that the act is wrong and has been dealt with.
- Record the incident to CPOMS and report the action that has been taken to the appropriate member of staff. Take a written statement as appropriate from all involved children and adults.
- Ensure that any audience is aware that if they have done nothing to prevent the bullying then they too are culpable.
- Obtain an apology.
- Ensure action is taken to prevent further incidents.

**Second Step**

- Discuss the incident with parents/guardian of the victim/perpetrator (if appropriate). Bearing in mind the language used i.e. “... has been accused of bullying” NOT “has bullied …………”. Any accusation must be based on evidence and further investigation of the incident may be needed.
- Inform staff about the incident especially the class teacher even if they have been alerted through CPOMS, where a pupil is involved.
- Inform appropriate staff where a member of staff is involved.
- If an incident is ‘indirect’ i.e. refusal to cooperate with, or avoidance of another pupil or member of staff because of their sex, ethnicity etc., restructure the groups carefully, and discuss the issues that arise from this as part of the Personal, Social & Health Education (PSHE) curriculum.
- Follow up the incident with other pupils, discussing principles rather than specific incidents. Ensure all pupils know that procedure and policy exist to protect them.
- Provide subsequent mentor support for both victim and perpetrator. Eg refer to Learning Mentor for individual/group work.

**Anti-bullying Policy**

*All incidents should be followed up with the relevant staff and the issues debated with all pupils. Prompt feedback to ‘victims’ of incidents on how incidents have been dealt with is essential.*

**Third Step**

- Work with the ‘victims’ to restore their self-confidence. The support may vary from pupil to pupil.
- Work with the ‘perpetrator(s)’ to investigate possible reasons behind the bullying behaviour and ensure that the offence is not repeated.
- Work with the ‘perpetrator/s’ to identify a key person, whom a bully identifies with, to help to eliminate fears and insecurities.
- Assure parents and pupil that the school will keep in touch with them and inform them of what action has been taken to protect the ‘victim’.

**Fourth Step**

- If, after extensive work carried out by the school, the ‘perpetrator’ continues to bully or harass then exclusion may be necessary.

**Responsibilities**

**Legal Responsibilities**

- The Governing Body as the employer has the responsibility to ensure the provision of a safe work place.
- The Headteacher is required to ensure the enactment of that responsibility within the school.
- The Headteacher has a duty to do all that is reasonably practicable to ensure the health, safety and welfare of employees. Bullying can damage the mental health of an individual.
- The Governing Body has a legal duty to take measures to prevent all forms of bullying among the pupils.

**School Community Responsibilities**

- The Headteacher will be the “lead” person and coordinate the process, although specific follow up/investigation may be delegated to members of the SLT or The Learning Mentor. Wherever possible, the Headteacher and teaching staff will promote anti-bullying strategies in a positive way through assemblies and invited speakers. A pro-active approach to be taken where possible e.g. Anti Bullying Week
- Training should be available through the year as and when appropriate.
- All staff should use their professional judgement to determine when to pass on their concerns about a bullying incident to a member of the management team.
- All children are encouraged to “tell” someone who can make a difference to bullying incidents.
- All parents, employees and users of our school should actively promote positive acceptable behaviour in school activities, within school and those taking place off site.
- Playground supervision by both teaching staff and lunchtime supervisors should be carefully carried out and children’s behaviour monitored effectively.

**Relationship and Curriculum**
Children should be given opportunities to talk about bullying in general.

Questionnaire given to pupils annually to ascertain views and gather statistics on bullying.

Regular ‘circle time’ sessions should be held – as part of our PSHE or SEAL work.

Support systems are in place following appropriate training e.g. Peer Support, School Council and Anti Bullying Ambassadors.

Outside agents visits to support creating a supportive climate e.g. NSPCC, UNICEF.

SEAL units followed throughout the school including a whole term on ‘Say No To Bullying.’

Themed assemblies

Parental Involvement

The parents of bullies and their victims will be informed of an incident and the action that has taken place and asked to support strategies proposed to tackle the problem. The bully will also be reminded of the possible consequences of bullying and the sanctions for repeated incidents will be clearly explained to him/her. (Persistent bullies may be excluded from school). A monitoring tool may also be used, usually incorporating a reward for achieving desired behaviours.

Monitoring and evaluating the Policy

We believe it is essential to constantly review this policy to ensure we are in a position to strengthen our approach to the issue of bullying. Where necessary we have, and will call on outside resources such as the Behaviour Support Service, Kidscape and any other supportive agencies.
