Radio Broadcast from Sid

If you’re in the mood for a song or a dance, tune in to Sid’s radio broadcast. Sid’s in Year 5 and is a great entertainer.

This week, he’s taken your requests, so listen out for those: you might get a mention! He’s also interviewed his brother, Oscar.

Join them both in wishing their Nan a happy 68th birthday, and just see if you can listen to “I’m Still standing” without feeling compelled to get up from your seat for a bop!

Thank you Sid!

Year 2 Superstars!

Wow, Mrs Bagley has been super impressed with the amazing learning happening in Y2 this week. We are all very proud of you all.

A special mention to Charlotte and Noah for their amazing Florence Nightingale acrostic poems and also to Evie for her amazing work that has led her to becoming famous! I am sure she will tell you all about it when she sees you next.

Take care everyone.
Mrs Bagley

Reminder for REC, Year 1 & Year 6: Packed lunch options are available on ParentPay for week commencing 1st June, the cut-off date is Tuesday 26th May.

CONGRATULATIONS !!!

This week the office had a call from Mr Franklin. He wanted to let us know about his daughter, Emilia Franklin who some staff will remember. He especially mentioned Miss Coates!

Emilia has received a scholarship to study at Newnham College for Girls in Cambridge, the award received was the Vice Chancellor Award. She will be studying the Black Death!

She was a pupil at St Paul’s’, then St Mary’s, then 6th Form College. (He said her success was on the Hereford Times Online news if anyone wanted to read it.) He wanted the school to know, as he said it’s nice to hear of success stories of past pupils.

CONGRATULATIONS Emelia.

Updated symptoms for COVID19

The most important symptoms of coronavirus (COVID-19) are recent onset of any of the following:

- a new continuous cough
- a high temperature
- a loss of, or change in, your normal sense of taste or smell (anosmia)

For most people, coronavirus (COVID-19) will be a mild illness. Children are likely to become infected with coronavirus (COVID-19) at roughly the same rate as adults, but the infection is usually mild. If anyone has any of the symptoms above they should self-isolate at home.
