Information for children with SEND during Covid-19 lockdown

We understand that times are hard for everyone right now but especially for those having to stay home with a SEND child while services are closed. Hackney Ark Resource Centre and Hackney Local Offer co-ordinator have put together this newsletter to share information from local services to help you get through this time. We hope it’s helpful and stay safe, Sarah and Ella
Supporting evidence letter for autistic children and young people

We understand that the limits on going out and how we must behave when we are out, may be especially difficult for autistic young people and their families. These are important restrictions that are in place to help make us all safer. They will not last forever and they are not intended to make life really difficult for people who are autistic, those who have learning difficulties or other medical conditions. Government guidance states:

“You can leave your home for medical need. If you (or a person in your care) have a specific health condition that requires you to leave the home to maintain your health - including if that involves travel beyond your local area - then you can do so. This could, for example, include where individuals with learning disabilities or autism require specific exercise in an open space two or three times each day - ideally in line with a care plan agreed with a medical professional.

Even in such cases, in order to reduce the spread of infection and protect those exercising, travel outside of the home should be limited, as close to your local area as possible, and you should remain at least 2 metres apart from anyone who is not a member of your household or a carer at all times.”

Hackney has worked with partners to produce a supporting evidence letter referencing this guidance and endorsed by the NHS, Police and Council. To find out how to request a letter please visit: https://www.hackneylocaloffer.co.uk/kb5/hackney/localoffer/advice.page?id=EzGp60ZyS1A
Education

There is a lot of government guidance being produced for parents and this is issued on an ongoing basis. The latest guidance for parents on education covers much of the previous guidance and is a useful reference. It includes information about online lessons available daily for those with digital access, information about how to get access to digital equipment if you do not have it and advice about what to expect from settings and explainers about previous guidance. There are also links to trusted learning resources recommended by special school headteachers and others working in the SEND sectors. “What parents and carers need to know about schools and other education settings during the coronavirus outbreak” is available on the Gov.uk website.

DfE coronavirus helpline: 0800 046 8687
E-mail. DfE.CoronavirusHelpline@education.gov.uk

Starline

Starline, a new national helpline for parents offers a free telephone helpline open six days a week. Home learning advice is provided directly from qualified teachers and parenting and education experts.

Phone: 0330 313 9162

Web: www.starline.org.uk
The Council for Disabled children have been working with the government and national partners to ensure that the concerns and views of parents of disabled children and those with additional educational needs are considered through arrangements made in response to the pandemic. If you have a question about SEND that you cannot get an answer to you can contact them and it may be included in their fortnightly frequently asked questions responses that are published on their website.

https://councilfordisabledchildren.org.uk/help-resources/resources/covid-19-support-and-guidance
Occupational Therapy virtual resources

Phone or video screening calls are offered for all patients who would normally be accepted for new referrals. Interventions are being offered via video call where possible and appropriate and to provide support for the wider community we have recorded our Sensory Workshop for families and can offer this as an ‘Electronic Version’.

Home safety assessments for children who meet this criteria are still on offer via video or phone calls.

Physiotherapy drop-in consultation slots will replace the drop in session for the time being. These begin again on 11th May via phone or video. Service contact number Monday – Friday Sharon (administrator) : 02070147025
Physiotherapy Drop In Clinic 2020

Do you have any concerns or questions about your child's development?

- Drop In is for children and young people aged 0-18 yrs
- Short 15 min telephone and video consultation slots will be offered on a first come first serve basis to those who call to book in
- Children and young people will be screened by a physiotherapist where advice will be given. Onward referrals will be made where necessary.

When?
Mondays 13.00–16.00
11 May
8 June
13 July
10 August
14 September
12 October
09 November
14 December

How it will work?
Call 0207 014 7025 to schedule in a 15 min slot. You will be asked about what your concerns are, to provide an email address (if you have one) and telephone number.
You will receive a call by the Physiotherapist at your allocated time slot.
Where indicated you may be asked to be available for a video appointment.
A link to access the video call will be sent to you via email, you will need to access this link 5-10 mins prior your allocated slot and go through instructions.
A physiotherapist will join you at your allocated time.

Workshop Dates/Times:
Wednesday 1st April 2020—full
Wednesday 22nd April 2020—full
Wednesday 6th May 2020
Wednesday 3rd June 2020
Wednesday 1st July 2020

Online Parent Workshop—led by occupational therapy at Hackney Ark
This online service is an interim plan during COVID-19 and face to face workshops will resume when government restrictions are lifted.
Sensory Processing and Regulation
- Helping your child play and learn-

Your child does not need a referral to OT for you to access this online workshop but you must contact us to book your place in advance.

Educational Psychologists

Educational Psychology Service are running their parent advice session by phone on Wednesdays from 2-4pm. It’s best to book a slot in advance as with the system for face to face advice.

Contact: 020 8820 5719 on Wednesdays between 2pm – 4.30pm
CAMHS

CAMHS have put together the following documents to update and help families and young people know how to manage their well-being and mental health, with support if needed, during the current government enforced lockdown.

**COVID-19 resources for parents-carers CAMHS** (information, resources and links)

Short leaflet that helpfully identify sources of support for those experiencing different levels of difficulty and includes current contact numbers for a range of eventualities.

**City Hackney CAMHS COVID Getting Help**
Short breaks

Short Breaks offer - COVID 19 temporary changes and increased flexibility extended -
Due to the impact of COVID 19, a number of children and young people are not able to access their usual Short Breaks, either because the carer is unavailable, the Short Breaks provider has had to close/cancel their activities or because you are unable to spend your Individual Budget on your prepaid card. Due to these current exceptional circumstances Short Breaks are offering families some alternative support to the standard Short Break offer and will be allowing families the opportunity to purchase equipment and toys such as outdoor play equipment, books, arts and craft materials, etc. There are restrictions to this offer so please contact the service if you haven’t already received information from them.

The Short Breaks team are still available for queries Monday - Friday 9am - 5pm.

Phone 020 8356 6796
e-mail: Short.Breaks@hackney.gov.uk
Web: www.shortbreakshackney.com
SENDIAGS

SENDIAGS, the impartial SEND information, advice and support service, are still working remotely and available for advice by phone. Please contact the service coordinator who will arrange for a team member to call you back.

Phone: 07500 066 513

e-mail: sendiags@learningtrust.co.uk

Web: www.hackneylocaloffer.co.uk/sendiags
Prospects Careers Service (part of Shaw Trust)

Prospects have produced a useful summary of government guidance on exam result arrangements for this year. All settings are working with the government to try to limit any disadvantage to young people that have worked so hard for this important time in their lives.

Prospects Careers Service are still operating by phone and can still advise parents and carers and young people themselves about education, training and employment options for next year.

Phone: 020 8356 2664 (Prospects office)

The service has a specialist SEND advisor:

Phone: 07769 648 664 (SEND advisor Bryan Taylor)
Inclusion and Specialist Support Team

Inclusion and Specialist Support Team, Area SENCo, Portage and specialist visual and hearing impairment teams are continuing to work with families known to their services and are happy to provide advice and appropriately signpost to individuals within the teams if appropriate.

Resource packs are available on request. Social Stories are available on Hackney’s Local Offer website or by request. These help explain the situation so children with SEND better understand the impact and need for different behaviour at this time.

Contact: Quita - Team Lead Inclusion and Specialist Support 020 8820 7233 (work)
The Early Support Team have compiled an activities pack of resources to suit varying levels of need. The team can send the pack to settings and families via email (or hard copies can be sent by mail if more convenient for some families). These resources range from simple games and activities to play with and without toys, a massage story, online activities for children with autism and much more.

If you would like a copy of the resource pack please e-mail a member of the Early Support Team. Contact details below:

A HELPING HAND IN HAGGERSTON

Are you unable (or worried) to leave your home because of Covid 19 / Corona virus? Do you need someone to run errands for you: do your shopping, cook food, pick up a prescription, ...?

WE CAN HELP!

We are a group of local residents who are getting together to help out in the community during this time of crisis.

We don’t want anything in return.

Call, whatsapp or text us on 07563 245 011 or email haggerstonmutualaid@mail.com to discuss what you need and what we can do to help.

DO YOU WANT TO HELP?

If you are willing and able to help out, get in touch through the provided number, or join our Whatsapp organising group by typing this URL in your phone browser https://bit.ly/3cYd3wF or scanning the QR code below:

We washed our hands before posting and delivering this, and you should too!
IF YOU'RE SELF-ISOLATING YOU'RE NOT ALONE

Are you unable (or worried) to leave your home because of Covid 19/ Coronavirus?
Do you need someone to run errands, do your shopping, pick up a prescription, walk your dog, have a phone chat with to break up your day?

We are a group of Homerton residents who are getting together to help out in the community during this time of crisis. We don’t want anything in return, we won’t ask you for money and we won’t enter your home.

Call your local volunteers Roisin, Emma & Christie on:
0800 009 6935
Or text us on:
07494 770 350
Or email us at: homertonhelpers@outlook.com

DON'T WORRY. WE WASHED OUR HANDS BEFORE DELIVERING THESE!

Covid-19 Mutual Aid

Are you unable to or concerned about leaving your home because of Covid-19/Coronavirus? Do you need someone to run errands - do your shopping, cook food or pick up a prescription etc.? We can help!

We are a group of residents in Lea Bridge Ward who are coming together to support the most vulnerable with errands, information distribution and emotional comfort.

Covid-19 Mutual Aid Local Groups are setting up independently all over the country - and the world! - to support people in their local area through the outbreak.

Groups are all autonomous and organising a broad range of activities, but most of them include: setting up WhatsApp groups for local volunteers to join; creating leaflets and flyering (while avoiding door-knocking and face to face interactions); providing a number for local people to call if they need support; running errands and shopping for people; providing a friendly ear and some emotional support to folks who are self-isolating or finding the pandemic overwhelming.

The groups are run entirely by volunteers and not medical professionals. We cannot give out medical advice or assistance. We don't want anything in return and we don't ask for money

No one from your local support groups will enter your home. Do not give any money, bank cards or any items of value to people you don't know.

We need each other.

Please text, ring or WhatsApp 07311092722 to talk about what we can do to support you, or if you would like to join us. You can also check the Facebook group for updates and email leabridge.crtmutualaid@gmail.com

On the back of this leaflet is some basic advice to keep safe. (Don't worry, we washed our hands before delivering these!)
A resource bank is available on Hackney Learning Trust’s website with a focus on well-being and learning activities. New resources are added regularly and schools and settings are contacted to make them aware of updates so that they can share them with the parents of children in their settings. Teams at Hackney Learning Trust continue to provide support and advice for settings and are in regular touch with headteachers and SENCos as the situation develops.

www.learningtrust.co.uk/content/mental-health-and-wellbeing-resources
Disabled Children's Service

Disabled Children's Service social workers are carrying out welfare checks with families and liaising with other services such as schools who may be offering you support. Should you require support around the use of Direct Payments or in relation to queries or concerns about the support being provided by care agencies, please contact your social worker by phone or email.

If this is not possible contact the team on 020 8356 6789
The COVID-19 pandemic is an unprecedented global situation which has changed our daily way of life. These 2 research projects are looking at the impact of lockdown on mental health in specific groups. If you would like to share your or your family’s experiences you can do using the links below.

Speech and Language

The Speech and Language team are here to support you during the current situation but many of their usual activities have had to be put on hold.

- **Talking Walk-in** drop-in assessment clinics **are not running**.
- **New referrals** are being accepted but families will be contacted by telephone in the first instance and only seen face to face if absolutely necessary.
- **Advice and Support** will be given by phone and online. There are many resources available on this website which may be useful.
- Support with **explaining Coronavirus** to children and young people can be found on their [News](#) page.
- Please contact [huh-tr.sltinfo@nhs.net](mailto:huh-tr.sltinfo@nhs.net) with any queries.
Sunflower Lanyard scheme

The Sunflower Lanyard acts as a discreet sign that the wearer (or somebody who is with them) has a hidden disability and requires additional assistance. There is no qualifying list to being able to access a lanyard as no one is excluded including people who have yet to be diagnosed and whose daily life is made more challenging by their hidden disability.

You can order your lanyard [here](#)
Hackney’s SEND Local Offer website has pages listing resources that may be useful during the Coronavirus outbreak with a focus on those with SEND.

The information, links and resources are aimed at children and young people of varying ages and abilities. The pages links to the latest information from teams at Hackney Ark, SEND teams at Hackney Learning Trust, Hackney Council and other partners and is regularly updated with new information and resources.
