Monday 22nd June is the start of National School Sports Week at Home. The Youth Sports Trust (Sky Sports is the sponsor) would like as many children to participate as possible. We have incorporated the School Virtual Sports Day with this which will take place on Friday 26th June, at a time of your choosing.

The week will consist of five fun activities to complete on Monday and Wednesday and then another 5 activities on Tuesday and Thursday. The Virtual Sports Day on Friday will consist of all ten activities put together. The score card and instructions for all the activities are on the school website. Hopefully you will see lots of personal improvements in your scores by Friday. All activities can be done indoors or outdoors and are fully inclusive. Remember this is fun and you are not competing against any others, just yourself. So have FUN!!!

If you would like to take part in more bonus activities there is a link to these, just click on this. [http://www.youthsportstrust.org/national-school-sport-week-resources-2020](http://www.youthsportstrust.org/national-school-sport-week-resources-2020)

It would be great if you send us any photos or videos of you taking part in the activities by Wednesday 1st July. We will then collate them and put together as a school slide show ready to hopefully view on Friday 3rd July. Please send photos and videos by email to: newsletter@st-peters.notts.sch.uk

Good luck and we hope you enjoy the week.
