Message from Mr Tomlinson

"Unlocking the love of reading for all", Part of our whole school development plan this year is raising standards in reading even higher. The vision and aim is to ‘unlock the love of reading for all’. Please see the reading tree image to help explain the new book colour banding and steps for reading progress. The colours and year groups overlap, therefore, the idea is to ‘grow’ reading ability at an appropriate rate of progress moving up and along finding books which capture imagination. And no your child doesn’t have to read every book in a particular colour before moving on. There will be careful guidance by the teacher with the aim of enjoyment to read. We want every child to make progress and achieve in their reading ability and able to articulate their learning and understanding of what they’ve read. Over the last year St Peter’s have spent, with incredible support from the PTA and donations, £8k on new books, furnishing an actual library with shelves and seating, having a Patron of Reading last year to inspire children to read more and get more children reading. So pick up a book today and unlock the love of reading. Thank you for your continued support. Don’t let issues grow. Stay safe. Take Care, Mr. Tomlinson

Book Club

Every Monday lunchtime, School Library, open to everyone, you don’t have to sign up or come every week (of course you can if you want to!).

Come along and enjoy a book!
Reading Eggs makes learning to read interesting and engaging for kids, with great online reading games and activities. And it really works! Children love the games, songs, golden eggs and other rewards which, along with feeling proud of their reading, really motivate children to keep exploring and learning.

All of our Reception, Year 1 and Year 2 children have their own login details.

Out of School Achievements

Gracie (class 3/4) has successfully auditioned for TV workshop and will be a weekly member of the main acting group beginning on 17th September.

We are extremely proud parents!

Congratulations Gracie!

Joshua & Harry paid a visit to the Walkers Crisp factory. A few facts that the boys learnt: At our Leicester Leycroft Road site we make 7 million bags of crisps a day, we send 35,000 boxes of crisps out the door daily. The factory is the largest crisp factory in the world!

Gary Lineker joined the day and they both got autographs and snuck into a photo with him.

These year 3 boys were at Liverpool FC Academy last weekend.

James, Harry, Sammy, Isaac, Sid, and Henry all enjoyed an amazing experience playing football for Bingham Town FC U8 against Liverpool FC Academy teams last weekend.

A fantastic performance by all...well done boys!

Fantastic Boys! Well done!

EVERY DAY COUNTS, every moment matters.

190 school days in an academic year.
