**Wednesday 10th June 2020**

Good morning Year 1/2. Thank you for sending in photographs of your hard work, I am putting on dojo points for your excellent learning and sharing your photographs with the class. Your activities for today are below. Have a great day!

1. Read one of your allocated books on Phonics Bug earning coins to spend.
2. Practice the spellings (using the spelling document link on the class page)
   - Year 1 – Words ending in -y
     very, happy, funny, party, family
   - Year 2 – Common Exception Words
     metal, pedal, capital, hospital, animal, pencil, fossil, nostril
3. Today’s English is to continue with the current theme. Watch and listen to We Are All Wonders by R. J. Palacio here: [https://www.youtube.com/watch?v=IWOuoaAtXGE](https://www.youtube.com/watch?v=IWOuoaAtXGE). Due to the sensitive content of this book, it is advised that the book is shared and discussed with an adult throughout the reading. Points for discussion: What does the word unique mean? What does the word wonder mean? What does the phrase hurt my feelings mean? How does the main character feel when others point or laugh? How does he feel when he puts on his helmet and travels across the galaxy? What do you think it means when the narrator says that perhaps people could ‘change the way they see’? Talk together about how we are all winders – include everyone in your household! Make a poster about being kind. Write the final sentence from the book – Look with kindness and you will always find wonder – in bold in the middle of your poster. Around the outside, record all the different ways you can show kindness. Remember kindness can often be shown in the smallest of actions. Try to make your poster as bright and engaging as possible. Put it up in your household to show everyone how you can be kind!
4. Following on from yesterday’s Maths, complete the home learning lesson. The link is below.
   - Year 1 – Complete lesson 3 Counting in 10s [https://whiterosemaths.com/homelearning/year-1](https://whiterosemaths.com/homelearning/year-1)
   - Year 2 – Complete lesson 3 Finding a half [https://whiterosemaths.com/homelearning/year-2](https://whiterosemaths.com/homelearning/year-2)
5. This week in Art, we are going to continue learning about Andy Warhol. Share read about Andy Warhol. [http://www.tate.org.uk/kids/explore/who-is/who-andy-warhol](http://www.tate.org.uk/kids/explore/who-is/who-andy-warhol) Learn about how the artist created his famous banana painting. [https://www.twinkl.co.uk/resource/t-ad-050-artist-fact-sheet-andy-warhol](https://www.twinkl.co.uk/resource/t-ad-050-artist-fact-sheet-andy-warhol) Try to recreate the painting/picture of an everyday piece of fruit. Write a biography about Andy Warhol using research you find. Can you create a fruit painting inspired by the banana painting.
6. Today for PSHE, I would like you to take a look at the ‘Plastics and the environment’ PowerPoint on the class page. Over the previous weeks, we have looked at the environment at school and at home and looked at ways we can care for it. Discuss the slides with your child and create a poster about plastics if you wish.

Any completed work can be emailed (emma.booth@st-stephens.lancs.sch.uk) or dojo’ed to me. And as always, if you have any questions, please just ask.

Miss Booth
