You will be creating a project booklet about Victorian children. You can pick one or more of the titles below to base your project on. You may also use the internet to help you with your research. But remember… WRITE THE INFORMATION IN YOUR OWN WORDS; DO NOT COPY FROM BOOKS OR THE INTERNET! Take care with presentation, handwriting, spelling, grammar and punctuation.

First you will need to create a front cover.
Create a title. Write your name on the cover. Remember to decorate your front cover with appropriate drawings and pictures (Queen Victoria, Prince Albert, Victorian people, Victorian schools, Victorian toys, Victorian inventions etc).

Then pick from the following subheadings and read, write, explore them in order to create your project booklet.
