Here is a wonderful picture book that works well alongside this project. If you can, follow the link below to see what happens in the story.

A mother and baby look through a window at a view of wilderness and sky as far as the eye can see. With each page, the boy grows and the scene changes. At first, in a clear patch of forest, a single house appears. A few years pass and there is a village in the distance... When the boy is twenty, will he recognise the view from his window?
