| **Maths**   | Please read the letter, sent by email to all families, regarding the Power Maths Home Learning Summer Editions and how to access them. [https://preview.pearsonactivelearn.com/PowerMathsYear5](https://preview.pearsonactivelearn.com/PowerMathsYear5)  
The 4 lessons for Year 5, Week 1 are:  
- Multiplying 2-digit numbers (1)  
- Multiplying 2-digit numbers (2)  
- Division with remainders  
- Calculating perimeters |
| **Reading** | This is your last chance to practice the skill of predicting what might happen from details stated and implied, so there are 5 more pictures for you to discover. Again, these can be found on the Hexham Class school website page [https://www.stwilfridsangmering.co.uk/weekly-home-learning-activities-3/](https://www.stwilfridsangmering.co.uk/weekly-home-learning-activities-3/), you will find a document called Prediction Pictures 3. Here you will find the final 5 pictures, with accompanying questions, one for each day of the week. |
| **Writing** | The Egyptian Pyramids  
This week you are going to Cairo in 1920 and an archaeologist is about to discover the secret of the Egyptian Pyramids with a very unhelpful friend!  
To learn more, click here to watch the video: [https://vimeo.com/133941139](https://vimeo.com/133941139)  
**Monday:** Write a diary/recount of the events in the film, this could be a newspaper report or another genre of your choice.  
**Tuesday:** Write a diary entry from the point of view of the Explorer  
**Wednesday:** Write a letter of apology from the Camel to the Explorer for his behaviour.  
**Thursday:** Write the dialogue between the Camel and the explorer – I don’t think the Camel cares that much, do you? Can you capture that in the way he speaks?  
**Friday:** What did the Camel do before he joined the Explorer? Write his back story. It can be as imaginative as you like – maybe he went to space, but was his clumsiness a problem? |
| **RE** | This week you can continue topic number 7, Pentecost: Transformation. You can look at Learning Focus 2: The gift of the Holy Spirit for everyone and Learning Focus 3: Saul is transformed by the Holy Spirit. You will find the lesson guidance for this on the Hexham Class Website page. Scroll through the document until you come to the Learning Focus. There are scripture references, key questions and suggest activities for each learning focus. [https://www.stwilfridsangmering.co.uk/re-topics/](https://www.stwilfridsangmering.co.uk/re-topics/) |
| **PE** | I hope you signed up to the Specsavers ‘Virtual’ Sussex School Games 2020’ at [http://eepurl.com/gYEF5z](http://eepurl.com/gYEF5z) last week. Remember, each week a new sport and it’s four challenges will be published at 9.30am every Monday morning, on [www.sussex school games.co.uk](http://www.sussex school games.co.uk)  
Results need to be uploaded by midday each Friday. |
| **Foundation Subject** | Art & Geography:  
So the time has come! You have spent 4 weeks learning about Extreme Earth. You have learnt about Volcanoes, Tornadoes, Earthquakes and Tsunamis. Now you can create some art work to represent these natural occurrences. You can use whatever you have in the house (or outside), use your imagination. You could use, pasta, plants, pencil – anything! You could even make some 3D models using recycling. Remember to use your technical language to label your creations. |
| **Friday 8th May VE Day** | Please remember that Friday is a Bank Holiday and a celebration of the 75th Anniversary of VE Day. Twinkl has a really good selection of resources, from reading comprehensions to craft and cooking activities. It would be worth looking through these with your child and marking the day in some way. |

Please remember children should be reading daily. Please also check website links above with your children in case the content has changed since this document was written.
