Welcome back to
Stamford Park Infant School

Mrs McDowell
Head Teacher

Sycamore Class
I am in Sycamore Class. My new teacher is called Mrs Williams.

I come into school through the gate on Cedar Road:

At hometime, I leave from the same door.
I will use the toilets that are near the corridor.

In Year 2 we will learn about lots of new and exciting things. Our topic in September will be: Where do we belong?

This is the door into my new classroom.
Lots of school will be the same as you remember.

Your teacher will take the Register each morning.

Each day you will be doing Phonics, reading and listening to lots of new stories.

Don't worry if you think you have forgotten things because we will be spending lots of time with you going through all the learning to remind you.

You will also be doing your Maths and continuing with your amazing writing skills.

We will be working to help you remember your number work.

Playtime will be in the playground with your friends in your class.

Lunch at school will be the same, but you will eat in your classroom with your friends.

We will also continue doing lots of lovely work with Boris the Robot in My Happy Mind.
Some parts of school might look a little bit different.

We now wash our hands when we come into school and at other times of the day.

We have hand sanitisers around school – they look like this:

We also have some stickers on the floor to remind us to leave space between our friends.

Outside school you will notice that Mr Wharton has marked the railings to show safe spaces when we come into school.

We are very excited to see you all back in school, to see how tall you have grown and to hear all your news from home. We can’t wait to see you!
