Dear Parents of Year 6 and Keyworkers currently attending

Thank you for your support this week in establishing our new school routines. We appreciate that there is some inconvenience to you all with the revised start and finish times and the one-way system but we appreciate that all parents have worked with us at this challenging time. The children have settled back into school well and have quickly adjusted to their new class bubbles and the school routine.

Please can we remind you that we would ideally like the children to bring as little as possible to school. Sun cream (when the sun returns!) could be left in trays. If they do want to bring a book, it could be brought in on Monday and taken home Friday. If they really need a bag then a plastic bag that can be wiped or disposed of would be preferable.

In order for us to maintain our safeguarding duties, please can we ask that parents phone in to inform us if their child will not be in school. This can be done on a daily basis or you can inform us at the start of the week. This can be by phone call or e-mail debbie.rose@stlncj.bham.sch.uk

If your child is absent and we have not been informed, we will send a text alert. Please respond to this.

This is obviously a developing situation and as the Government makes further announcements we will make changes. Our aim is to ensure that we are operating for the safety of all pupils, parents and staff.

Your sincerely

K Mulrain
