Welcome back!

We hope that you had a restful and enjoyable Easter break.

Half Term 4 Update
Last half term, children really enjoyed looking at the book, ‘Who Let the Gods Out,’ during their English lessons and produced some work that they can be very proud of. We also enjoyed World Book Day and a trip to the Vihara!

Lenten Project
The children did a great job raising money for the Lenten project. Everyone was involved in at least one activity. The children thoroughly enjoyed themselves and were very responsible. We have raised an amazing total and the money was continuing to increase up until we finished for Easter.

English

Work this half term will include writing letters to our Year 2 buddies and studying a classic poem—‘The Highwayman,’ by Alfred Noyes.

Maths

Work this half term will include:
- Arithmetic work
- Times tables work
- Measures
- Place Value
- Statistics

Our topic this half term is 'Go With The Flow.'

In Geography children will be looking at rivers and how they are formed. We will also be going on a visit to Woodgate Valley, here the children will be completing a river study and investigating the river. When they return from their visit we will be using the data found to create charts and graphs. They will also be finding out about the water cycle.

In Art we will be tie dying, children can bring in a plain white t shirt to do this on, if they wish.

During Design and Technology we will be building bridges and setting each other challenges to see how safe and secure they actually are!

Our SEAL topic this half term is Relationships.

In Science we will be looking at the properties and changes in materials.

As ever if you do have any questions, please do not hesitate to come in and speak with a member of the team.

With our many thanks,
The Year 5 Team
