Dear Parents/carers,

Welcome back from the summer break. It is lovely to see such enthusiasm and positivity from the children.

To keep you up to date with our routines and expectations I have outlined below some of our regular activities in class.

**Homework** – This will usually be set every Friday and will reflect or complement our learning over the week, it is an important opportunity to practise and consolidate the learning. This should be handed in by the following Thursday. We will usually check through our homework as a class on Friday, so do not worry if your child has struggled on a particular aspect as there will be a chance to address any misconceptions and further support will be given where needed. The children have each been given a reading record and we would encourage them to record each time they read at home – ideally every day.

**PE/Games** – Our timetabled PE will be Tuesday afternoon during terms 1 and 2, but please ensure that children have their games kit in school each day as we will endeavour to run the ‘Golden Mile’ three times per week (Weather permitting). Some warmer clothing will be needed for the winter months. We would ask that children wear the school PE kit. It would be useful if this included a spare pair of socks.

An overview of our learning in Term 1 (Topic-web) is detailed on the school web-site. Parent/Teacher consultations are available later in the term but, if you need to discuss anything please see me after school or make an appointment via the school office.

Yours sincerely,

Ms K. Hamblin.
Nightingales Class Teacher.
